CAREER OBJECTIVE

Entry-level Software / IT professional with strong knowledge of Core Java, SQL, JDBC, and database-driven applications. Experienced in performing CRUD operations, writing SQL queries, understanding table relationships, and testing applications. Seeking an opportunity to apply technical and analytical skills while continuously learning and contributing to quality software solutions.

EDUCATION

Currently pursuing **Master of Computer Applications**, final year.

Bachelor of Computer Applications (BCA) – Gate Degree College (2021–2024) | CGPA: 8.5/10

Intermediate (MPC) – SR Junior College (2020–2021) | Marks: 857/1000

SSC – ZPH School, Baleru (2018–2019) | CGPA: 9.0/10

TECHNICAL SKILLS

Database Skills: Writing queries, table relationships, basic stored procedures, joins.

Data Analytics (Basics): Data understanding, validation, and analysis using SQL queries

Core Java: Classes & Objects, Inheritance (IS-A), Association (HAS-A), Abstraction, Interfaces, Polymorphism

Java Collections Framework: List, Set, Map, Advanced Java: JDBC, CRUD Operations and SQL

Web Technologies: HTML, CSS, JavaScript, Basic jQuery

Typing Speed: 58 WPM with 97% accuracy

PROJECTS

ATM Operations System (Core Java): Developed a console-based banking application. Implemented secure PIN validation, balance enquiry, deposit, withdrawal, and used OOP concepts and Collections to manage user data. Performed data validation and logical testing of transactions and handled error scenarios using structured program flow

Swiggy Clone (Frontend): Designed a responsive food delivery website UI using HTML, CSS, and JavaScript focusing on layout and user experience.

Developed a **online movie ticket booking system** that allows users to view availability, book tickets, and receive confirmation. Implemented booking logic, input validation, and structured application flow. Gained experience in problem solving and application workflow management.

SOFT SKILLS

Good Communication | Leadership | Problem Solving | Time Management | Critical Thinking
